Social Networking for the Liberal Mind

Create Profiles...

Create a public profile and secure who sees it. With it's own url www.thesextree.co.uk/gothiclight it's a one stop shop for your networking needs.

Online security enables you to say who see what, as you add friend links, business links, and of course our sex links

Create a Journal

Blog your thoughts, and our custom security enables you to say who reads what. In fact you can choose if your journal is pointed to with your custome url, or if it's your profile:

Be a journalist, Upload the news...

The sex tree, is so much more then a journal and network site. You can upload the news, on an international scale. Post your stories like the BBC, free of censorship as you put the knowledge in the peoples hands

Share Temptation

Introducing temptations, where you upload what you want, and what you can offer. As you bid on each others dreams, and help them come true.

Infact it could be anonymous, as you advertise your services, your fantasies or products to swap.

Connecting People

Find people in common, match make and break the ice. By answering questions you can get a better match. As well as offering play cupid, which allows people to make introductions, social, business or otherwise.

Tell them, who's making the intro, or stay anonymous, and watch the fireworks fly.

Post Events, and send Anonymous Mail

As well as staying in touch with our mail facilities, you can advertise your events, make them publicly available or by invite only, and see who's going, as well as what's on where.

Online Forums

Stay in touch and debate the issue on the sex tree forums, as no matter what you interest you will find it here, and if you can't. Then create you own.

Forums can also be members only, so you can moderate who joins, ideal for a club, or a coven as you debate with friends..

Relax and Play Poker

Why not relax, and enjoy strip poker against a range of computer opponents. As you choose between a choice of games. strip draw poker, and texus hold-em.

High scores available, and games are saved, so you can resume them later

Learn Tarot and the Psychic Side

It's not all fun and games, and in the lifestyle section we offer courses on psychic development and the thoth tarot. As you discover the hidden meaning of the cards.
